# **Bachelor of Science in Nursing (BSN)**

Academic Program Guide:

Spring 2022 entrance and beyond

This guide is intended as a **sample** course schedule to help direct student progression. Students must meet regularly with their academic advisor to discuss specific course selections, remaining requirements, and degree options. **Shaded courses are required Nursing prerequisite courses** necessary for admission to the BSN professional program. Non-shaded courses are required foundation and general education courses necessary to graduate. Pre-Nursing students (semesters 1-4) must apply for competitive admission into the BSN professional program (remaining 4 semesters). This BSN program is only at the Tucson campus.

Course Title	Units	Notes
SEMESTER 1 (14 hours)		PRE-NURSING PROGRAM
First Year Composition I: choose 1:	3	<sup>1</sup> First Year Composition requires one sequence of two options:
- ENGL 101 (will need to do ENGL 102 later)	_	- ENGL 101 & 102 (for non-international students) or ENGL 107 & 108 (for international students)
- ENGL 109H (also covers composition II requirement)		students)
- ENGL 107 (available to international students only and will need to do ENGL 108 later)		- ENGL 109H (Honors course requiring appropriate placement)
Nutrition: choose 1:	3	ENGL 10311 (Honors course requiring appropriate placement)
- NSC 101	3	
		<sup>2</sup> Chemistry There is a 1-course sequence available, or it may be fulfilled through a 2-
- NSC 170C1		course sequence. For two-course sequences, we recommend doing the first of the
Chemistry: <sup>2</sup>	4	sequence in semester 1 to allow enrollment in the second course in semester 2. Two-
- CHEM 130 & CHEM 130L (1 Lecture + 1 lab)		course sequence options (CHEM 151 & 152, CHEM 162 & 163 + 162 & 164). The 1-course
Chemistry for Allied and Public Health		sequence (CHEM 130) can be taken in either semester 1 or semester 2. One chemistry
- CHEM 151 & 152 (2 lectures + 2 labs)		lab is also required. Lecture and lab are recommended to be taken concurrently.
Chemical Thinking I & II		,
- CHEM 161 & 163 + CHEM 162 & 164 (2 lectures + 2 labs)		<sup>3</sup> MATH 112 requires College Algebra level course with appropriate placement.
Honors Chemical Thinking I & II		May also be fulfilled by <u>select</u> Statistics courses.
		and also be furnica by <u>serese</u> statistics courses.

UNIVERSITY GENERAL EDUCATION REQUIREMENTS FOR PRE-NURSING: https://catalog.arizona.edu/policy/general-education-curriculum-spring-2022

#### DECLARING PRE-PROFESSIONAL NURSING AND COMPLEMENTARY MAJORS

The College of Nursing requires all students meet certain eligibility requirements to declare the Pre-Professional major. Please review the criteria online at www.nursing.arizona.edu/bsn-admissions and contact an Academic Advisor at con-osaa@arizona.edu if you have guestions.

Students unable to declare the Pre-Professional Nursing major at this time are encouraged to identify and declare a complementary major, and then declare the major after completing a semester or more of coursework at or above the minimum GPA for declaration of the major. GPA requirements to change major are also online at <a href="https://www.nursing.arizona.edu/bsn-admissions">www.nursing.arizona.edu/bsn-admissions</a>. Common complementary majors include: Public Health, Nutrition, Family Studies and Human Development, Physiology, Psychology, or Care, Health and Society.

## BSN PROFESSIONAL PROGRAM APPLICATION REQUIREMENTS

BSN Professional Program Admission Requirements: (All requirements and deadlines are subject to change. See Nursing website for additional details.)

- Minimum cumulative GPA of 3.0, as well as minimum prerequisite GPA of 3.0. Grades of C or better in all prerequisite courses
- Minimum score of 75 on HESI A2 exam (Math, Reading Comprehension, Vocabulary, and Biology)
- Submit an application with NursingCAS.
- Non-current UA students that are admitted to the program must also submit a UA transfer student application by the deadline outlined in their admissions packet. UA admissions information is available via The University of Arizona's Office of Admissions (admissions.arizona.edu)

## Nursing College admission is based on a holistic review of criteria, including:

Prerequisite GPA (Highest grade for each prerequisite course)	Prerequisite GPA of a minimum 3.0 GPA for all prerequisite courses, with a minimum grade of 'C' or better in each required course. If a prerequisite course is repeated, the highest grade earned will be utilized in the calculation.
Cumulative GPA (All courses at all regionally accredited colleges ever)	Cumulative GPA of a minimum 3.0 GPA for all post-secondary coursework ever taken. Grade replacement rules at the institution where the course is taken will be honored for GPA calculations. Unless grade replacement occurs, all attempts of all courses will be included, reflecting all schools ever attended.
Optional Experience	Optional experiences that may be included to increase application strength include: healthcare experience, volunteerism, transferable non-healthcare employment, and leadership experiences.
HESI Admissions Assessment	Students must take the HESI Admissions Assessment with a 75% minimum score based on a single attempt.  Details on nursing website regarding score expirations and considerations: <a href="mailto:nursing.arizona.edu">nursing.arizona.edu</a>
Interview	A virtual interview is required portion of the admissions process. Interview is included in the application.

### **Application Deadlines for BSN Professional Program**

Students interested in the BSN must apply for admission through <u>Nursing CAS</u> by the relevant deadlines listed on the <u>BSN Admissions</u> page at **11:59pm <u>EST</u>** 

If enrolled at the time of application and given admissions offer, applicants must maintain their 3.0 cumulative and prerequisite GPA minimum after completion of any in-progress coursework, as well as a grade of 'C' or better in any in-progress prerequisite courses.
