Bachelor of Science in Nursing – Integrative Health (BSN IH)

Spring 2022 entrance and beyond

This guide is intended as a **sample** course schedule to help direct student progression. Students must meet regularly with their academic advisor to discuss specific course selections, remaining requirements, and degree options. **Shaded courses are required Nursing prerequisite courses** necessary for admission to the BSN IH professional program. Non-shaded courses are required foundation and general education courses necessary to graduate. Pre-Nursing students (semesters 1-4) must apply for competitive admission into the BSN IH professional program (remaining 4 semesters). The BSN IH program is only at the Gilbert campus and includes Fall, Spring, and Summer enrollment
