Banner Spanish Proficiency Testing Requirement

Banner has a Spanish proficiency testing requirement. Spanish proficiency is required to conduct research in Banner facilities with Spanish speaking participants.

Research staff must pass a language proficiency exam, the ALTA Spanish Proficiency Exam. The exam is scheduled through the Clinical and Translational Sciences Research Center (CATS).

- Contact CATS (cats-med@arizona.edu) for the exam request form.
- Exams are conducted live and last 20 minutes.
- Results will be available and emailed to the candidate within 2 business days.
- A score of 10 is required to pass.
- If a candidate fails, they must wait 3 months before retaking the exam.
- The cost of the exam is $66.
