

Downloading a Video from Zoom and Uploading to Panopto

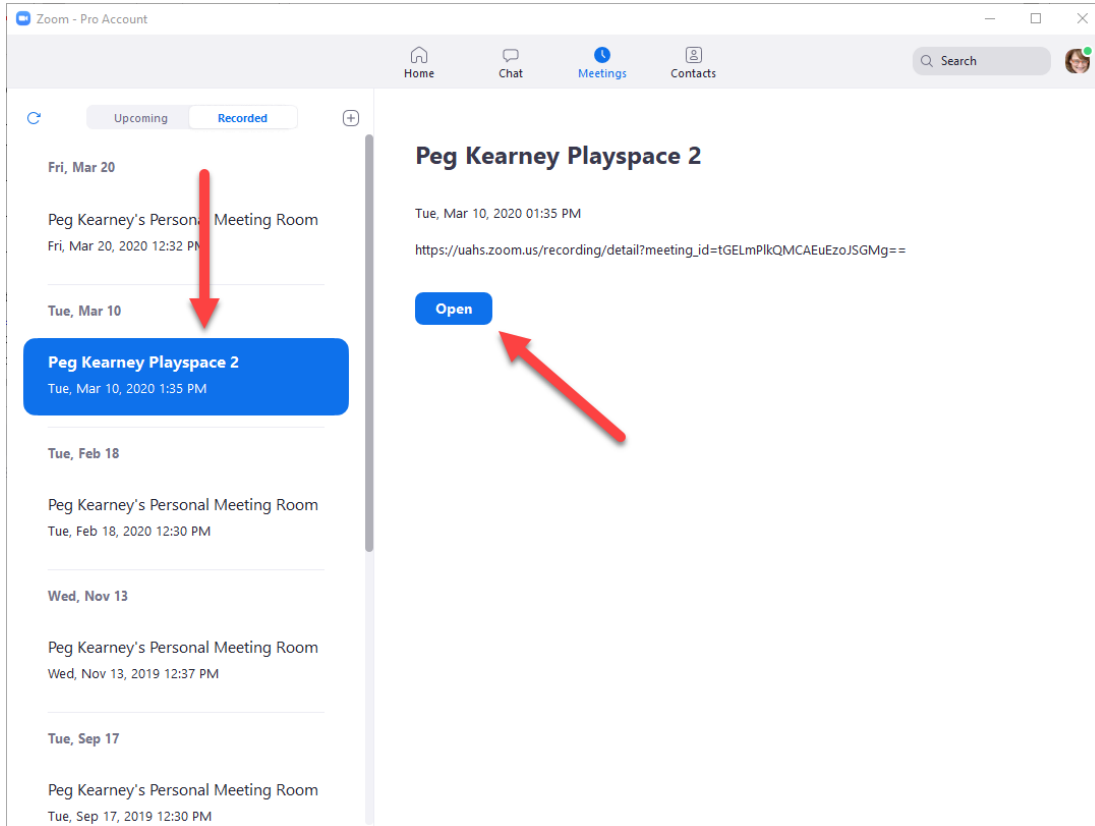

Version	Date	Description of Change
1.0		Original guide

- Log into your Zoom Desktop App. If you don't have the desktop app or don't know how to sign in, see <https://www.nursing.arizona.edu/resources/uahs-zoom>.
 - If you have ever participated in a Zoom meeting you will have the app installed. Search your computer for Zoom and you should find it.
- Click on the Meetings icon at the top of the page.
- Click on the Recorded button on the left side of the Meetings page.

- Select the meeting you want and select the Open button.

- You may receive a login prompt, log in with your netid and password.
- Select the download button.

- Select Save File and click OK.

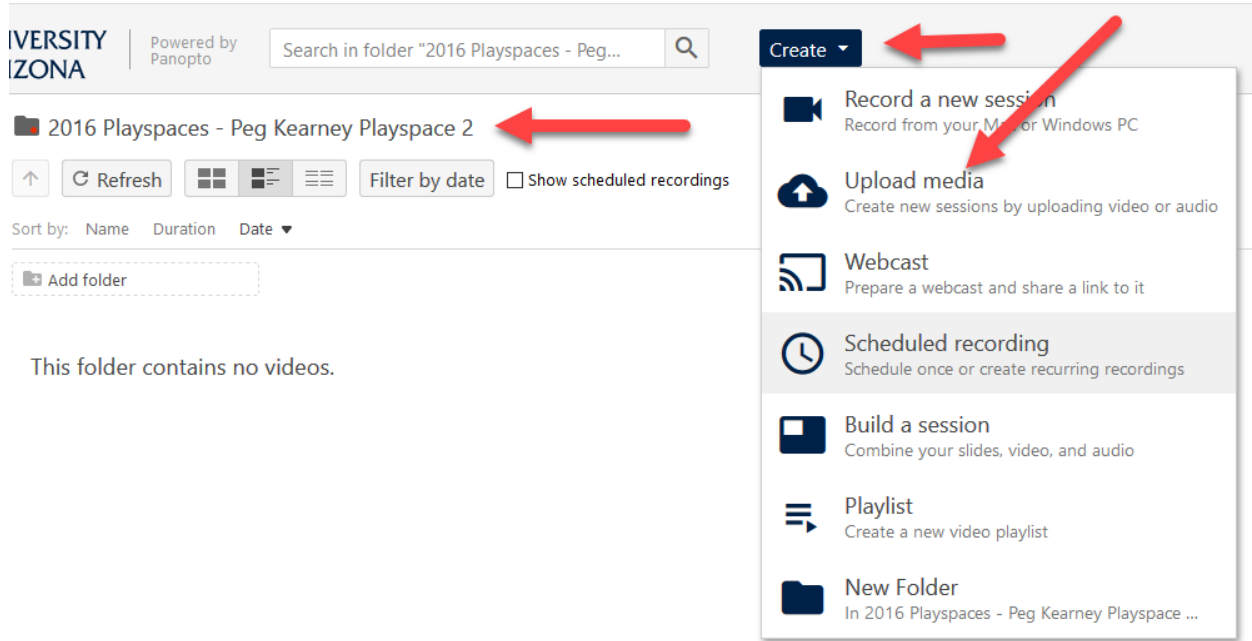

- Locate your completed download. This is most typically in your Downloads folder.
- Log into D2L, <https://d2l.arizona.edu>
- Open your course.
- Click on the UA Tools Health Sciences Link and click on Panopto.

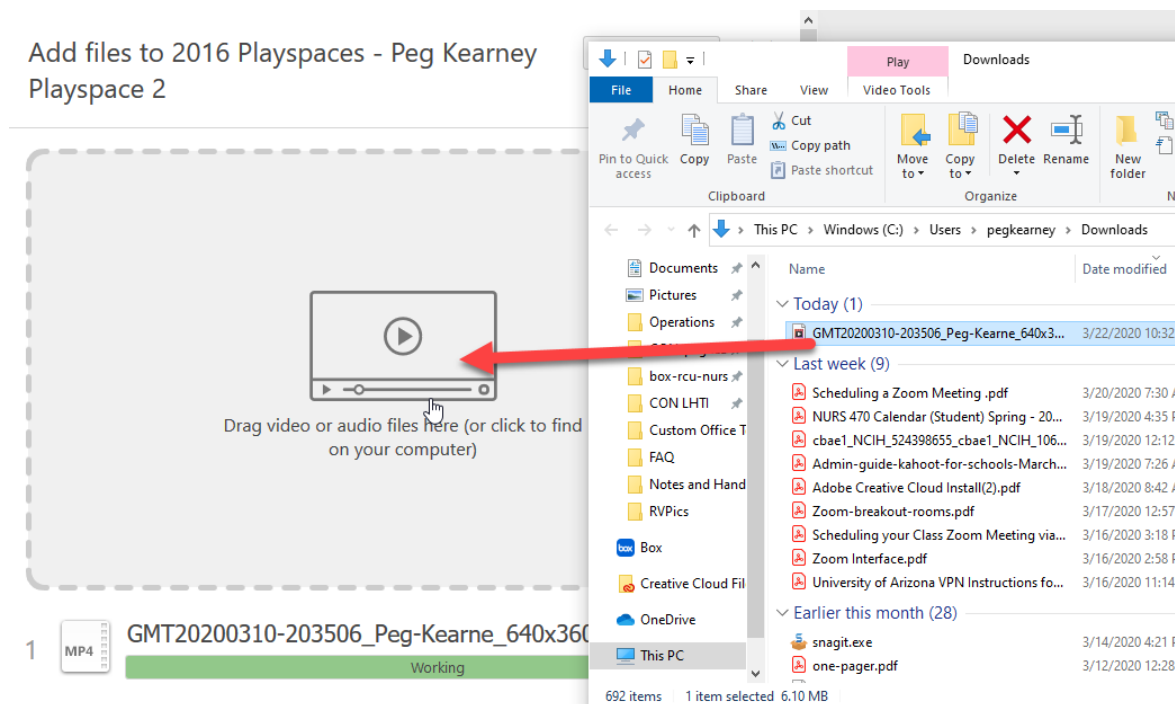

- Ensure you are in the correct folder and click on Create>Upload Media.

- Drag and drop or click to search to upload your video.

- Your video is now in your Panopto class folder.
