

Exxat DNP – Patient Log Report

- ❖ Navigate to Students – Student Reports

The screenshot shows the dashboard interface. On the left is a navigation menu with items: Dashboard, Students, Clinical Sites, Placements, Clinical Personnel, Configuration, Reports, Help, and References. The 'Students' item is expanded, and a tooltip for 'Student Reports' is visible. The tooltip text reads: 'plays your Site Dashboard, Batch/Class Dashboard and Calendar Dashboard. Click labels to open the corresponding dashboard. SESSION DASHBOARD has been moved to the placement form. We have divided the all Session forms, widgets, and reports into SESSION SET UP, depending on where they appear in your workflow.' Below the tooltip, contact information for the Exxat Team is listed: Exxat Team Contact, CSR Name: Kande Supriya (kandhi.supriya@exxat.com), Data Coordinator: Smiti Lone (smiti.lone@exxat.com), and Data Team Contact: Amit Kadia (amit.kadia@exxat.com).

- ❖ Under “Select Batches” choose your student group, identified by Specialty + Clinical Entry Year. Hit Submit.

The screenshot shows the 'Student Reports' page. At the top, there is a 'Select Batches' dropdown menu. Below it, a list of checkboxes is displayed for various student groups and years. The 'AGACNP - 2019' checkbox is checked. A 'Submit' button is located at the bottom right of the list.

- ❖ Navigate to report 18, Patient Log Report by FOR. Click icon to view.

The screenshot shows the 'Student Reports' page with a table of reports. The table has three columns: '#', 'Report Name', and 'Mock batch'. Report 18, 'Patient Log Report by FOR', is highlighted with a red circle around its 'Mock batch' icon. The table also includes a 'Total' column on the right side.

#	Report Name	Mock batch	Total
