Step by Step Process
Quality Improvement Projects

First, have all documents reviewed and approved by your DNP Project Chair and Alice Pasvogel in the Office of Research & Scholarship (apav@email.arizona.edu). This includes:

  - In the form you will be asked for a Short Title. Please include as it is required in eIRB.
- Recruitment material
- Consent document (a template for a Disclosure form is available on the College of Nursing website https://www.nursing.arizona.edu/resources/research-human-subjects-templates)
- Data collection instruments (surveys, questionnaires, interview/focus group questions, etc.)
- Educational material, educational presentation, or an outline of what will be included in the educational presentation, if applicable
- Site Authorization letter (a template for a Site Authorization letter is available on the College of Nursing website https://www.nursing.arizona.edu/resources/research-human-subjects-templates). Please Note: if the site has an IRB, IRB approval/determination must be obtained from the site before submitting documents in eIRB.

Please Note: Quality improvement projects at Banner facilities DO NOT follow this process. For quality improvement (QI) projects using Banner facilities, please contact the Director of Professional Practice at the Banner facility and follow the Banner submission requirements. Additional information can be found on the College of Nursing website https://www.nursing.arizona.edu/sites/default/files/Quality%20Improvement%20at%20Banner%20Facilities.pdf

Now that all the documents have been reviewed, you are ready to submit in eIRB. Alice Pasvogel will ask your Chair for the Advisor Attestation and send you a copy.

- **Assign Primary Contact.** You will be listed as Primary Contact. Please change this to Alice Pasvogel so she can review the form to make sure everything is correct. Please send an email to Alice Pasvogel (apasv@email.arizona.edu) and include the study number (STUDY000000011) in the email. Once she has reviewed the form, she will let you know that it is ready to submit.

- **Assign PI Proxy.** Add your DNP Project Chair as PI Proxy. This is required by the IRB. Your DNP Project Chair must be listed as a Local Study Team Member as only those listed as Local Study Team Members can be assigned as PI Proxy.
- **Training Records** (coming soon). Check the training dates for all personnel listed as Local Study Team Members to make sure training is current prior to submitting to the IRB.

Please send an email to Alice Pasvogel (apasv@email.arizona.edu) and include the study number (STUDY000000011) in the email. Once she has reviewed the form, she will let you know that it is ready to submit. Once you receive notification from Alice Pasvogel that the form is ready to submit, submit the form in eIRB.

From the list on the left side of the screen, click **Submit**.

- If there are errors in the smart form, they will appear and must be addressed before you can submit the form.
- If there are no errors, the next thing will be your attestation. Read the information presented and click ‘OK’

On the Workflow Map you should now see that your project is in **Pre-Review**. You will hear from the IRB if clarification is requested or when the review is complete and the Determination letter is available to download.
