

THIRD INTERNATIONAL
Integrative Nursing Symposium
 GALWAY IRELAND // MAY 22 - 24, 2019

At this Symposium, we will convene leaders, clinicians, educators and students who are committed to advancing person-centered, relationship-based, holistic care that advances the health and wellbeing of people as well as organizations and communities.

Our international faculty of renowned experts will offer sessions focused on applications of integrative nursing in a wide variety of settings including acute care, mental health, oncology, community health, pediatrics, senior care, and midwifery. Sessions will also be offered on person-centered care, nursing leadership, building integrative care models, and more.

Pre-conference workshops include *The Most Beautiful Way of the Healer* with Janet Quinn and *Integrative Nursing Research* with Robin Austin and Laura Kirk.
